Inspiration

Representado por un círculo, simboliza la unidad, lo absoluto, la perfección.

El comodín de producto que funciona con todos los estilos y gustos personales. Lo componen productos atemporales, cementos, piedras y maderas suaves que se adaptan a los espacios pasando desapercibidos y dejando que otros elementos le den la personalidad. Destinados a un público más sobrio, que busque la estética continua y el equilibrio, sus diseños esenciales se ajustan a todos los gustos, edades y estilos decorativos, desde clásico hasta contemporáneo pasando por los estilos minimal o japandi. El Concepto se adapta a la tendencia "Time to Heal" que representa la importancia del auto-cuidado personal y del bienestar emocional en el espacio Contract.

Represented by a circle, it symbolizes unity, the absolute, perfection.

The wildcard product that works with all styles and personal tastes. It is made up of timeless products, cement, stones and soft woods that adapt to spaces, going unnoticed and letting other elements give them personality. Aimed at a more sober public, in search of continuous aesthetics and balance, its essential designs are suitable for all tastes, ages and decorative styles, from classic to contemporary, passing through minimal or japandi styles. The Concept is adapted to the "Time to Heal" trend that represents the importance of personal self-care and emotional well-being in the Contract space.

PORCELAIN
STONE COLLECTION

Austral es una colección que sorprende a la vista y al tacto, dotando de una nueva perspectiva al universo de las piedras en cerámica. La elegancia recoge la estética gráfica, de vetas ligeras que se mezclan en un fondo granulado sutil. La esencia y la sensación de la arena se proponen matéricamente. Superficies y juegos de luz definen un concepto decorativo de superficies extraordinarias. Armónica y concreta, la tierra remite a un sentir personal y a la fuerza de la naturaleza, a través de esta versátil piedra de colores naturales.

Austral collection is pleasing to both the eye and the touch, giving to Ceramic stones unvierse a new perspective. Elegance picks up graphic aesthetics, with light veins that blend into a subtle grainy background. The essence and the sensation of the sand can be observed at first sight. Surfaces and plays of light define a decorative concept of extraordinary areas. Harmonious and concrete, Earth refers to a personal feeling and the force of nature, through this versatile stone of natural colors.

CONCRETE COLLECTION

Una colección que va más allá del efecto de hormigón, una superficie inspirada en la naturalidad del cemento pero expresada de manera más ligera. Su fondo compacto es atravesado por pequeñas variaciones cromáticas y otros matices, que lo convierten en un elemento de diseño que puede utilizarse para revestir todo tipo de superficies, tanto en interiores como en exteriores.

Versátil y cautivador, Bolton es desarrollado para cumplir las necesidades estéticas más universales de la arquitectura y del diseño contemporáneo.

A collection that goes beyond the effect of concrete, a surface inspired by the naturalness of cement but expressed in a lighter way. Its compact background is crossed by small chromatic variations and other nuances, which make it a design element that can be used to cover all kinds of surfaces, both indoors and outdoors. Versatile and captivating, Bolton is developed to meet the most universal aesthetic needs of contemporary architecture and design.

Nace de la fantasía y se desarrolla de la fusión de dos materiales auténticos, el temperamento del cemento y la sofisticación del terrazo. Un tándem capaz de cubrir espacios de autor, único para aquellos más atrevidos y acompañado para los que busquen un toque de diferenciación decorativa en todas las estancias de la casa o de un local comercial. Un producto que se define como la sal de la vida.

Born from fantasy and developed from the fusion of two authentic materials, cement's temperament and terrazzo's sophistication. A tandem which is capable of covering signature design spaces, unique for the most daring and also for those who seek a different decorative touch in every single room at home or in any commercial space. A product that could be described as the spice of life.

Inspiration

Representado por el cuadrado, símbolo de materia, del cuerpo y realidad terrena.

Lo matérico, que al tacto te traslada a su composición. Lo componen productos sofisticados, cementos, piedras y maderas con cuerpo, que transmiten sensaciones, recuerdos o energías. Materiales para interiores que se diseñan como espacios abiertos y de carácter multifuncional. Destinados para el con una personalidad más atrevida, que busque la diferenciación y llamar la atención en el hábitat que le rodea. Se crean combinaciones de materiales que nos llevan a espacios acogedores y con carácter. El concepto se adapta la tendencia, "Consocias Deceleration". En un mundo hiper-conectado, cambiante y consumista, esta tendencia apuesta por una visión más local, cercana y táctil de los productos. Una revalorización de los materiales más elaborados.

Represented by a square, the symbol of matter, of the body and earthly reality.

The material, which transfers you to its composition by means of the touch. It is made up of sophisticated products, cement, stones and full-bodied woods, which transmit sensations, memories or energy. Materials for interiors that are designed as open spaces and with a multifunctional character. Intended for those with a more daring personality, who seek distinction and attract attention in the habitat that surrounds them. Welcoming and with character spaces are created due to the combination of different materials. The concept adapts to the trend, "Consocias Deceleration". In a hyper-connected, changing and consumerist world, this trend is committed to a more local, close and tactile vision of products. A revaluation of the most elaborate materials.

STONE COLLECTION

La colección recoge y elabora el auténtico encanto de la piedra caliza Shellstone, con diferentes composiciones y orígenes. La piedra se funde en superficies con gráficas únicas e irrepetibles, que cuentan la memoria del tiempo y los lugares donde se formaron y sedimentaron las piedras de inspiración. Algas, fósiles, conchas, vetas calcáreas y matices de minerales hacen que cada pieza sea una bella página de historia geológica, impresa en la piedra por el paciente trabajo del tiempo y la naturaleza. Por neutralidad esencial, sus matices y los juegos de reflejos, la convierten en un escenario neutro, elegante y refinado.

The collection collects and elaborates the authentic charm of Shellstone limestone, with different compositions and origins. The stone melts into surfaces with unique and unrepeatable graphics, which tell the memory of time and the places where the inspirational stones were formed and settled. Algae, fossils, shells, calcareous veins and mineral nuances make each piece a beautiful page of geological history, imprinted on the stone by the patient work of time and nature. Due to its essential neutrality, its nuances and the play of reflections, make it a neutral, elegant and refined setting.

Nace de la fusión de tres elementos, la textura de una quarcita, la superficie de un cemento vívido y de pequeñas incrustaciones "ciottolina", que crean movimiento, profundidad y transmiten la historia del paisaje que nos rodea. Triunfo sorprende a la vista y satisface al tacto. Innovadora, multifuncional y exquisita, atrae las miradas hacia lo más profundo de la materia para captar la sensación de un camino recorrido por el tiempo, familiar y tranquilizador con un carácter único.

It is born from the fusion of three elements, the texture of a quartzite, the surface of a vivid cement and small "ciottolina" inlays, which create movement, depth and convey the history of the landscape that surrounds us. Triunfo surprises the eye and satisfies the touch. Innovative, multifunctional and exquisite. It draws the gaze to the depths of the material capturing the feeling of welfare due to a Stone that represents a traditional family environment. The warmth and unique nature gives us the impression of a history lived with harmony.

Los suelos de terrazo son pavimentos que proyectan el atractivo de la piedra natural. Este atractivo, es transferido y suman a la belleza estética de un pavimento tradicional. El suelo de terrazo resurge lleno de nostalgia y con la fuerza y magnetismo de los clásicos porque se pueden recordar los años 60 con una propuesta plenamente actual y contemporánea. Retrocedemos en el tiempo para reinventar este carismático suelo cerámico que combina un terrazo de piedra muy pequeña que crea espacios continuos, con un terrazo XL fantasía que rompe los esquemas y da vida a las estancias.

Terrazzo floors are pavements that project the appeal of natural stone. This attractiveness is transferred and adds to the aesthetic beauty of a traditional pavement. Terrazzo flooring reappears full of nostalgia and with the strength and magnetism of the classics because the 60's can be recalled with a fully current and contemporary proposal.

We go backwards in time to reinvent this charismatic ceramic floor that combines a very small stone terrazzo that creates continuous spaces, with a fantasy XL terrazzo that breaks the schemes and gives life to black gray romos and amber notes. Its exquisite graphic variation makes it a timeless product that works in the most contemporary styles, raising the decorative level of any space.

El mármol Marquina, de nobleza elegante, se caracteriza por sus irregulares vetas blancas, concentradas en mayor o menor medida según la pieza, que le sirven de contraste con el fondo negro. De esta manera, esa dualidad le dota de una sensación de sofisticación y elegancia que hacen del Negro Marquina una magnífica opción para la decoración de interiores.

Marquina marble, of elegant nobility, is characterized by its irregular white veins, concentrated to a greater or lesser extent depending on the piece, which serve as a contrast to the black background. In this way, this duality gives it a feeling of sophistication and elegance that make Negro Marquina a magnificent option for interior decoration.

De la belleza de la naturaleza del mármol carrara, entre los más finos del mundo, y de superposición de vetas black elegidas, nace Kaira. La combinación del refinamiento y pureza del blanco con la elegancia del negro, crean contrastes que desencadenan la doble esencia de los contrastes y la luz. Su interpretación coinciden en una nueva originalidad, convirtiéndose la colección, en una expresión armónica del estilo clásico propuesta en clave moderna y elegante.

From the beauty of the nature of Carrara marble, among the finest in the world, and from the superposition of selected black veins, Kaira was born. No hay nada más enigmático que el negro, pero son las extraordinarias vetas lo que embellece y hace inconfundible a este elegante mármol de Túnez. Las vetas blancas y doradas, regalan a Sahara Noir juegos sutiles de luces y sombras. Su presencia diseña entornos con un gusto exquisito y una elegancia excepcional donde es imposible ignorar su pura belleza por encima del resto. La versión invertida del mármol, da la pureza, y dota de luminosidad los espacios. Una vez mas, Black and White triunfa en todos los estilos.

There is nothing more enigmatic than black, but it is the extraordinary veins that embellish and make this elegant Tunisian marble unmistakable. The white and gold veins give Sahara Noir subtle intertwines of light and shadow. Their presence designs environments with exquisite taste and exceptional elegance where it is impossible to ignore their sheer beauty above the rest. The inverted version of the marble, gives purity, and gives light to the spaces. Once again, Black and White triumph in all styles.

Inspiration

Representado por una línea, uno de los siete elementos básicos del arte.

Una línea puede definir un espacio, crear un contorno o patrón, implicar movimiento o textura o sugerir un efecto de masa o volumen. Las colecciones para pavimentos porcelánicos de 20mm de espesor y acabado antideslizante, son una solución arquitectónica que incrementa las cualidades técnicas del porcelánico, aumentando la resistencia a la rotura y temperaturas extremas, la solución más recomendable para exteriores. Sus cualidades lo hacen idóneo para revestir las áreas más expuestas a condiciones adversas: zonas de exterior como porches, jardines o terrazas.

El salón se extiende a las terrazas, el exterior cobra protagonismo y el diseño se adapta a los nuevos espacios a través de cementos, piedras y mármoles, una amplia gama para todos los públicos, inalterable ante el paso del tiempo, fácil de colocar y de limpiar.

It is represented by a line, one of the seven basic elements of art. A line can define a space, create an outline or pattern, imply movement or texture, or suggest an effect of mass or volume. The 20mm thick collections of porcelain flooring with a non-slip finish are an architectural solution that increases the technical qualities of porcelain, increasing resistance to breakage and extreme temperatures, the most recommended solution for exteriors. Its qualities make it ideal for covering the most exposed areas to adverse conditions: outdoor areas such as porches, gardens or terraces.

The living room extends to the terraces, the exterior takes center stage and the design adapts to new spaces through cement, stone and marble, a wide range for all audiences, unalterable over time, easy to install and clean up.

ICARIA está inspirada en la cuarcita natural, que se caracteriza por su estructura y por su juego único de tonalidades. Es el producto ideal para combinar la belleza impulsiva de la piedra con las prestaciones inigualables del gres porcelánico. Su fuerza expresiva radica en su capacidad de ser un producto muy cercano a la realidad de la piedra que imitamos, variaciones gráficas entre piezas, sutiles sombras, e imperfecciones estudiadas crean una superficie esencial que envuelven con elegancia los espacios. Se adapta al look stone, atrás queda el concepto de señorial de la piedra, para abrir un amplio abanico de estilos contemporáneos.

ICARIA is inspired by natural quartzite, which is known by its structure and its unique shades. Is the ideal product to combine the stone's impulsive beauty with the incomparable performance of porcelain stoneware. Its expressive strength lies in its ability to be a product that shows truthfully the reality of the stone that imitates. Different graphic variations between pieces, subtle shadows and studied imperfections create an essential surface which gracefully wraps the space. It adapts to the stone look, leaving behind the stately stone view and leading to a wide range of contemporary styles.
